

June 10, 89

Dear

Mayer Brodell

I would like to go on record as opposing
the closing of Belmont St. N of Hampton
Drive. The property borders our property,
and we have no outlet at all.

My husband had surgery last week so he is
house bound.

I will try to be at the Council meeting.
Would appreciate your personal consideration
in this matter, by not closing the street
area.

Thank you

Mrs Homer Gibson
