Just to clarify, he is asking about a specific event or in general.

All the sports staff would be paid from the city in working city stars leagues and events. That was their jobs.

If it is a specific event, I can research and see what sports staff work on that particular day.

Stephen Davis – Soccer
Aaron Holland – Basketball and Volleyball
Mark Nethcott – Football and Cheer

We also have part time sports staff that work for the city and work conducting youth sports (former city start)
