Jonesboro, AR 72403

Mr. Nash,

Please accept this letter as formal notification that Pinkley Sales Company is the sole and exclusive distributor of all GridSmart Products for the State of Arkansas.

Gridsmart is a single camera detection system that requires a single Cat5 cable. The camera is a 360 degree hemispherical camera that views the entire intersection, including the center of the intersection which is often the most dangerous. The GS2-HC processor has a built in hard drive that allows live video to be recorded at the intersection.

Thank you for your interest in our products. If we can be of any further service to you, please contact us at your earliest convenience.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Martin G. Pinkley', is written over the typed name.

Martin G. Pinkley  
President  
Pinkley Sales Company
