Dear Mr. Young:

Southwestern Bell Telephone Company does not object to the closing of the alley between Lots 4 and 5 and Lots 3 and 5 of Block 1 of Haltom's addition to the City of Jonesboro providing this closing does not interfere with any existing Southwestern Bell cable that feeds the apartments at 810 Kitchen.

Questions regarding this matter may be referred to me on 972-7596.

Sincerely,

Jim Walker

RE: Alley Closer

To: Mr. Young

Arkla Gas Company has no objections to closing the alley in block 1 behind lots 3 and 4, just north of lot 5, in the Haltom's addition. This alley lies between Kitchen and Haltom just south of Matthews. Arkls Gas Company will have to retire the gas main at this section of the alley before any construction work can began .
