RE: Street Abandonment – Baker Street
(From Washington Avenue north to Hope Avenue)

Dear Donna:

At present, City Water and Light has utilities located in the above referenced street. Because of these utilities, CWL would like to retain a utility easement over the existing street right of way. This utility easement can be released at a later date when the owner, Jonesboro Real Estate Holdings Company, Inc. has paid all abandonment and relocation costs to CWL.

When the above easement is obtained, CWL has no objection to the closing of the section of Baker Avenue shown highlighted on the attached plat. Please call if you have any questions.

Respectfully,
