Dear Mr. Spriggs,

I understand your committee is meeting in July and will discuss the name of our street at that time.

We hope you will see fit to continue the new name - Christian Valley Drive - all the way to Mt. Carmel from Hwy 493. One reason is that all of our frontage property would have the same address. As it is now part of our land is called Christian Valley and part of it is on W. Lawson; this is confusing when giving directions. Also, we are the family who donated almost all of the land for this project and feel that its not asking for much to be allowed to live on the street we helped name. The Lawson family is no longer in the area and had nothing to do with this new road. Lastly, this portion of the road in question has never been named Lawson Rd. it was always Valley View Dr.

I hope your committee will see fit to change the street signs and allow my family to live on "Christian Valley Drive." One other thing, we have never been given a new address, one way or the other, and still get mail at 1916 Valley View Dr.

Thank you,

Ken + Lynn Tarbrough

P.S. I believe the Chad Lynch family and the Valley Ridge Church are the only others that would be affected.

Dear Mr. Spriggs,

I received this letter addressed to Rex Yarbrough at my address and I don't know which of us it is directed to. However, if you want my opinion about the street name I would love to see the street called "Christian Valley Drive" all the way from 49th to Mt. Carmel. I think there are only 2 houses and a church that would be affected.
