Office of Inspections/Code Enforcement*

WE ARE HERE TO HELP!

There will be special sanitation pickup scheduled for Monday, October 4th, 2010, in the area specified by the following addresses: **from MAIN STREET to FOURTH STREET, and from WEST WORD STREET to WEST ALLEN STREET.**

All material listed below must be moved to the side of the road for the Sanitation Department to pick up on Monday, Oct. 4th, 2010.

- **Weeds, Grass and Trash**
- **Furniture and Construction Debris**
 - **Tires**
- **Metal, steel and appliances**

- Furniture and construction debris needs to be in a separate pile from weeds, grass, and limbs. Tires needs to be in separate pile as well, as the sanitation department will not be able to separate these.
- Please note, on Saturday, October 2nd volunteers will be in the area to help move these items to the curb. Primarily, the volunteers will be responsible for abandoned properties. However, we will be available to help the Elderly and Disabled, but for this to be successful most property owners will need to start well in advance of that Saturday in order to make sure it is done. Any home that is occupied will be expected to move their own debris to the curb side, unless they are elderly or disabled.

CODE ENFORCEMENT WILL FOLLOW UP TO CITE NON-COMPLIANCE AFTER MONDAY, OCTOBER 4TH. PLEASE TAKE ADVANTAGE OF THIS SPECIAL PROGRAM!
