Subject: Letter Clarification

I sent an email with the letter from Ralph Waddell earlier to you for review. I would like clarify to you that this letter is referring to items in the Homebuilders latest proposal. Some items mentioned aren't included in Joe Hafners proposal and while there is similar language, this letter does not address the original proposed ordinance or the changes Joe suggested. This is referencing the homebuilders proposal which is not on the table at this time; some of their suggestions have been worked into the proposal as a compromise. My apologies for the confusion and should you have any questions, please let me know.

Thank you,

Mayor Harold Perrin
