Mr. Edward L. Westbrooke  
202 $\frac{1}{2}$  West Washington  
Jonesboro, Arkansas

Dear Mr. Westbrooke:

The alley immediately south of Creath Avenue, which runs south between Lots #6 and #7 of Stephenson's Church Street Addition, has only a sewer line within the right-of-way at this time.

So far as we can see, there would be no reason to preserve a right-of-way for future use with the easement arrangement agreed upon between our company and Mr. Hughes.

Sincerely yours,

M. R. Ulmer  
Asst. to the Manager
