

NOTE: This particular request for a zoning change comes with no recommendation from the MAPC.

The first motion by the MAPC was to deny the zoning change, from AG-1 to R-1, resulting in a three to three vote. Five votes of the MAPC are needed to pass a measure and the only way the Chair can break a tie is if his vote will make a quorum or pass a measure, which was not the case.

The second motion by the MAPC was to refer the matter to the Jonesboro City Council without a recommendation.
