

June 15, 1994

Dear Mrs. Jackson,

I would like to be placed on the City Councils June 20th agenda.

I have built a pool that encroaches on a city easement. I would like for the city to let me leave the pool where it is until the land is needed. Naturally I will assume all risk and hold the city harmless because of the pools location. I will also cooperate with the city in the event the easement is ever needed.

Sincerely,

Mickey Seeman

6-20-94

I would like to Table
the address to the council until 7-18-94.
I have been advised I need an attorney.

Mickey Seeman

Re: Mickey Seeman - Variance

Dear Donna:

Please remove Mickey Seeman's request for a variance from the Council agenda. This matter had been tabled at the last Council meeting and was placed on the agenda for the July 18 meeting.

Thanks.

Cordially yours,
