Re: City Council Meeting - January 20, 1986

Dear Ouida:

Our office represents Patient Transfer Service of Jonesboro and in this connection, we would appreciate your placing my name on the January 20 City Council agenda. I wish to discuss with the Council the Order of the Mayor directing all requests for ambulance service be referred to Emerson & Son Ambulance Service.

My client feels that this action is unwarranted and unfair and constitutes an unfair restraint of trade.

Thank you very much.

Cordially yours,

MOONEY & BOONE

Charles M. Mooney
