All action taken by polling the Trustees shall become final 15 days after written ratification by a majority of the Trustees of such action.

(b) Any committee of the Board of Trustees, including an executive committee, if any, may act with or without a meeting. Subject to the provisions of Sections 5.5 and 6.1 hereof, the Board of Trustees may delegate functions arising under this Section 5.13 to one or more Trustees. Subject to the provisions of Article VII of this Trust Agreement, the Board of Trustees, with the assistance of the Investment Advisor, the Custodian of Investments and the Trust Administrator, shall make available to Participants through the Trust suitable investments selected or

designated by the Pension Fund Board of Trustees of a Participant, unless the Board of Trustees determines, in its sole discretion, that it would be illegal, unauthorized, imprudent, unfeasible or impractical to make, support or pursue such directed or designated investment activity through the Trust.

Section 5.14. Power to Contract, Appoint, Retain and Employ. Subject to the provisions of Sections 5.5 and 6.1 hereof with respect to delegation of authority by the Board of Trustees, the Board of Trustees shall have full and complete power to appoint, employ, retain or contract on behalf of the Trust with any Person of suitable qualifications and high repute (including any corporation, partnership, trust or other entity of which no Trustee may be an Affiliate) as the Board of Trustees may deem necessary or desirable for the transaction of the affairs of the Trust, including any Person or Persons who, under the supervision of the Board of Trustees, may, among other things: (i) serve as the Investment Advisor; (ii) serve as the Trust Administrator; (iii) serve as the Custodian of Investments; (iv) market the trust investment program; (v) furnish reports to the Board of Trustees and provide research, economic, and statistical data in connection with the Trust's investments; (vi) act as consultants, accountants, technical advisors, attorneys, brokers, underwriters, corporate fiduciaries, escrow agents, depositories, custodians or agents for collection, insurers or insurance agents, registrar for Units or in any other capacity deemed by the Board of Trustees to be necessary or desirable; (vii) investigate, select and, on behalf of the Trust, conduct relations with Persons acting in such capacities and pay appropriate fees to, and enter into appropriate contracts with, or employ, or retain services performed or to be performed by, any of them in connection with the investments acquired, sold or otherwise disposed of, or committed, negotiated or contemplated to be acquired, sold or otherwise disposed of; (viii) substitute any other Person for any such Persons; (ix) act as attorney-in-fact or agent in the purchase or sale or other disposition of investments, and in the handling, prosecuting or other enforcement of any lien or security securing investments; and (x) assist in the performance of such managerial functions necessary in the management of the Trust as may be agreed upon with the Board of Trustees.

Section 5.15. Insurance. The Board of Trustees shall have full and complete power to purchase and pay for, entirely out of Trust Property, insurance policies, or other forms of risk coverage, to insure or protect the Trust and members of the Board of Trustees, officers, employees and agents, of the Trust individually against all claims and liabilities of every nature arising by reason of holding or having held any such office or position, or by reason of any action alleged to have been taken or omitted by the Trust or any such Person as member of the Board of Trustees, officer, employee or agent, including any action taken or omitted that may be determined to constitute negligence, whether or not the Trust would have the power to indemnify such Person against such liability. The Board of Trustees is authorized to obtain such coverage from the Arkansas Municipal League Legal Defense Fund.

Section 5.16. Seal. The Board of Trustees shall have full and complete power to adopt and use a seal for the Trust but, unless otherwise required by the Board of Trustees, it shall not be necessary for the seal to be placed on, and its absence shall not impair the validity of, any document, instrument or other paper executed and delivered by or on behalf of the Trust.

Section 5.17. Indemnification. In addition to the mandatory indemnification provided for in Section 8.3 hereof, the Board of Trustees shall have full and complete power, to the extent permitted by applicable laws, to indemnify or enter into agreements with respect to indemnification with any Person with whom the Trust or the Board of Trustees has dealings including, without limitation, the Investment Advisor, the Trust Administrator and the Custodian of Investments, to such extent as the Board of Trustees shall determine.

Section 5.18. Remedies. Notwithstanding any other provision in this Trust Agreement, when the Board of Trustees deems that there is a significant risk that an obligor to the Trust may default or is in default under the terms of any obligation to the Trust, the Board of Trustees shall have full power to pursue any remedies permitted by law which in its sole judgment, are in the interests of the Trust, and the Board of Trustees shall have full and complete power to enter into any investment, commitment or obligation of the Trust resulting from the pursuit of such remedies as are necessary or desirable to dispose of property acquired in the pursuit of such remedies.

Section 5.19. Information Statement. The Board of Trustees shall prepare, publish and distribute the Information Statement and amend or supplement the same from time to time.

Section 5.20. Reports. The Board of Trustees shall cause to be prepared annually: (i) a report of operations containing a statement of assets and liabilities and statements of operation and of changes in net assets of the Trust prepared in conformity with generally accepted accounting principles for and as of the end of the most recently completed fiscal year of the Trust; (ii) an opinion of an independent certified public accountant on such financial statements based on an examination of the books and records of the Trust made in accordance with generally accepted auditing standards; and (iii) sufficient information to establish the Trust's compliance for such fiscal year with the investment policy established pursuant to this Agreement. A signed copy of such report and opinion shall be filed with the Board of Trustees within one hundred twenty (120) days after the close of the fiscal year covered thereby. Within five (5) days from the receipt thereof, the Board of Trustees shall cause a copy of such documents to be mailed to each Participant of record, by first class mail, postage prepaid. The Board of Trustees shall, in addition, furnish quarterly to each Participant a copy of an interim report containing an unaudited balance sheet of the Trust as at the end of such quarterly period and statements of operations and changes in net assets for the period from the beginning of the then current fiscal year to the end of such quarterly period. The Trust, with the assistance of the Custodian of Investments, the Trust Administrator and the Investment Advisor, shall prepare and furnish to each Participant on a quarterly basis a report showing all deposits into and disbursements from the Trust for the account of such Participant during the applicable quarterly period, identifying the investments held for the account of such Participant during such period and the amounts of such investments, disclosing the performance of such investments during such period and showing the beginning and ending balance of such Participant's assets held through the Trust during such period.

Section 5.21. Further Powers. The Board of Trustees shall have full and complete power to take all such actions, do all such matters and things and execute all such instruments as it deems necessary, proper or desirable in order to carry out, promote or advance the interests and purposes of the Trust although such actions, matters or things are not herein specifically mentioned. Any determination as to what is in the best interests of the Trust made by the Board of Trustees in good

faith shall be conclusive. In construing the provisions of this Trust Agreement, the presumption shall be in favor of a grant of power to the Board of Trustees. The Board of Trustees shall not be required to obtain any court order to deal with the Trust Property.

ARTICLE VI
THE INVESTMENT ADVISOR, TRUST ADMINISTRATOR
AND CUSTODIAN OF INVESTMENTS

Section 6.1. Employment. The Board of Trustees is responsible for the investments of the Trust consistent with this Trust Agreement and for the general administration of the business and affairs of the Trust conducted by the officers, agents, employees, investment advisors, administrators, distributors or independent contractors of the Trust. However, the Trustees shall not personally conduct all of the routine business of the Trust and, consistent with their responsibility as stated herein, the Board of Trustees shall employ on behalf of the Trust the Investment Advisor as an investment advisor to the Board of Trustees, the Trust Administrator as an administrator for the Trust and the Custodian of Investments as the custodian of Trust Property. The same Person may serve simultaneously as the Trust Administrator, the Investment Advisor and/or the Custodian of Investments. Subject to the provisions of Section 6.2, Stephens Capital Management Company, a division of Stephens, Inc., is hereby appointed the Investment Advisor. Subject to the provisions of Section 6.3, the Arkansas Municipal League is hereby appointed the Trust Administrator. Subject to the provisions of Section 6.4, Metropolitan National Bank is hereby appointed the Custodian of Investments.

Section 6.2. Duties of the Investment Advisor. The duties of the Investment Advisor shall be those set forth in the Joinder Agreement and the Investment Advisory Agreement. Subject to Article VII hereof, the Board of Trustees may authorize the Investment Advisor to effect purchases, sales or exchanges of Trust Property on behalf of the Board of Trustees or may authorize any officer, employee, agent or member of the Board of Trustees to effect such purchases, sales or exchanges pursuant to recommendations of the Investment Advisor, all without further action by the Board of Trustees. Any and all of such purchases, sales and exchanges shall be deemed to be authorized by the Board of Trustees. The Investment Advisory Agreement may authorize the Investment Advisor to employ other Persons to assist it in the performance of its duties.

Section 6.3. Duties of the Trust Administrator. The duties of the Trust Administrator shall be to provide day to day contact and information for the Participants; to approve and direct the payment of costs and expenses of the Trust; to provide overall supervision and direction for the operation of the Trust; to provide regular reports and recommendations to the Board of Trustees on the operations of the Trust; and perform other acts on behalf of the Board of Trustees as authorized by the Board of Trustees.

Section 6.4. Duties of the Custodian of Investments. The duties of the Custodian of Investments shall be to act as a paying agent for disbursements to be made from the Trust and as a safekeeping agent for investments of the Trust, in accordance with a written contract for custodial services between the Trust and the Custodian of Investments. Securities owned by the Trust must be held in a book entry system by a bank depository, which is a member of the Federal Reserve, in a

customer account or street name of the Custodian of Investments. The Custodian of Investments shall maintain records which show the Trust as the owner of all securities owned by the Trust and shall prepare and provide reports for the Trust, the Trust Administrator, the Participants and the Investment Advisor.

Section 6.5. Successors. In the event that, at any time, the position of Investment Advisor, Trust Administrator or Custodian of Investments shall become vacant for any reason, the Board of Trustees may appoint, employ or contract with a successor Investment Advisor, Trust Administrator or Custodian of Investments.

ARTICLE VII INVESTMENTS

Section 7.1. Investment Policy. In accordance with Ark. Code Ann. Section 24-10-402, in consultation with the Pension Fund Board of Trustees of each Participant, the Investment Advisor shall formulate the policy to be followed in future investment activity by such Participant, and shall promptly furnish copies of such investment policy, or any changes in such policy, to such Participant's Pension Fund Board of Trustees and to the Board of Trustees. The Pension Fund Board of Trustees of each Participant shall have the independent duty and authority to adopt an investment policy for such Participant and to implement its investment policy through the investment activities in which it engages. Each Participant shall promptly furnish copies of its investment policy, or any changes in its policy, to the Investment Advisor and to the Board of Trustees.

Additionally, in consultation with the Board of Trustees, the Investment Advisor shall formulate the policy to be followed in future investment activity by the Trust, and shall promptly furnish copies of such investment policy, or any changes in such policy, to the Board of Trustees.

Section 7.2. Restrictions Fundamental to the Trust. Notwithstanding anything in this Trust Agreement which may be deemed to authorize the contrary, the Board of Trustees:

(i) may make any investment authorized by applicable provisions of Arkansas State statutes, as the same may be adopted or amended from time to time, all as herein defined as Permitted Investments, but may not make any investment other than investments authorized by applicable provisions of Arkansas State statutes, as the same may be adopted or amended from time to time, all as herein defined as Permitted Investments; and the Board of Trustees and the Trust shall have no responsibility or liability for the failure of any Participant to comply with investment restrictions set forth in a Participant's governing document(s) or ordinances, if such investment restrictions are more restrictive than those provided herein;

(ii) may not borrow money or incur indebtedness, whether or not the proceeds thereof are intended to be used to purchase Permitted Investments, except as a temporary measure to facilitate withdrawal requests which might otherwise require unscheduled dispositions of portfolio investments and only as and to the extent permitted by law;

(iii) may not make loans, unless such loans are Permitted Investments; and

(iv) may not hold or provide for the custody of any Trust Property in a manner not authorized by law or by any institution or Person not authorized by law.

Section 7.3. Amendment of Restrictions. The restrictions set forth in Section 7.2 hereof are fundamental to the operation and activities of the Trust and may not be changed without the affirmative vote of a majority of the Participants, except that such restrictions may be changed by the Board of Trustees so as to make them more restrictive when necessary to conform the investment program and activities of the Trust to the laws of the State and the United States of America as they may from time to time be amended.

Section 7.4. Maximum Aggregate Investment of Participants. The Board of Trustees may from time to time determine the maximum total investment for each Participant in a Collective Fund.

Section 7.5. Minimum Investment. The Board of Trustees may from time to time determine a minimum total investment for each Participant in a Collective Fund.

Section 7.6. Closing an Investment in a Collective Fund. Whenever a Participant's investment in a Collective Fund is less than the minimum established by the Board of Trustees, the Board of Trustees may redeem the Units representing such balance and close the Participant's investment in such Collective Fund, provided that thirty days' prior notice is given to such Participant. If the Board of Trustees changes the minimum total investment to an amount greater than the investment of any Participant at the time that such change becomes effective, the investment of such Participant shall not be redeemed without such Participant's consent.

Section 7.7. Collected Funds. Deposits to the Trust may be made by check or wire transfer, but must be collected funds before they will be invested in a Collective Fund or other Permitted Investment.

Section 7.8. To the extent permitted by applicable law, the Pension Fund Board of Trustees for each Participant shall have authority, at the sole cost and expense of such Participant, to direct or designate any specific investment activity not recommended by the Investment Advisor involving assets of such Participant held through the Trust, and such Participant shall be fully responsible for such investment direction or designation and for any and all losses or liabilities that may arise therefrom; and such Participant shall indemnify and hold harmless the Trust, the Investment Advisor, the Trust Administrator and the Custodian of Investments, and their respective Trustees, Boards, Directors, Officers, Shareholders, Employees and Agents from and against any and all claims, damages, losses, obligations, liabilities and expenses, including without limitation reasonable attorneys' fees and disbursements, arising out of any such investment direction or designation. In any event, the Trust shall have no obligation to make, pursue or support any such directed or designated investment activity through the Trust, if the Board of Trustees determines, in its sole discretion, that it would be illegal, unauthorized, imprudent, unfeasible or impractical to make, support or pursue such directed or designated investment activity through the Trust.

ARTICLE VIII LIMITATIONS OF LIABILITY

Section 8.1. Liability to Third Persons. No member of a Pension Fund Board of Trustees shall be subject to any personal liability whatsoever, in tort, contract or otherwise to any Person or Persons in connection with Trust Property or the affairs of the Trust. No member of the Board of Trustees, officer, employee, advisor, consultant or agent of the Trust shall be subject to any personal liability whatsoever in tort, contract or otherwise, to any other Person or Persons in connection with Trust Property or the affairs of the Trust, except that each shall be personally liable for his bad faith, willful misconduct, gross negligence or reckless disregard of his duties or his failure to act in good faith in the reasonable belief that his action was in the best interests of the Trust. All such third Persons shall look solely to the Trust Property for satisfaction of claims of any nature arising in connection with the affairs of the Trust.

Section 8.2. Liability to the Trust or to the Participants. No Trustee, officer, employee, advisor, consultant or agent of the Trust shall be liable to the Trust or to any Participant, Trustee, officer, employee, advisor, consultant or agent of the Trust for any action or failure to act (including, without limitation, the failure to compel in any way any former or acting Trustee to redress any breach of trust) except for his own bad faith, willful misfeasance, gross negligence or reckless disregard of his duties. The provisions of this Section 8.2 shall not limit the liability of any agent (including, without limitation, the Investment Advisor, the Trust Administrator and the Custodian of Investments) of the Trust with respect to breaches by it of a contract between it and the Board of Trustees.

Section 8.3. Indemnification.

(a) The Trust shall indemnify, but only to the extent of the earnings of the Trust, each of the Trustees and such officers, employees, advisors, consultants and agents as are designated by the Board of Trustees to receive such indemnification, against all liabilities and expenses (including, without limitation, amounts paid in satisfaction of judgments, in compromise or as fines and penalties, and counsel fees) reasonably incurred by him in connection with the defense or disposition of any action, suit or other proceeding by the Trust or any other Person, whether civil or criminal, in which he may be involved or with which he may be threatened, while in office or thereafter, by reason of his being or having been such a Trustee, officer, employee, advisor, consultant or agent, except as to any matter as to which he shall have been adjudicated to have acted in bad faith or with willful misfeasance or reckless disregard of his duties or gross negligence or, in the case of the Investment Advisor, the Trust Administrator or the Custodian of Investments in willful or negligent violation of the restrictions on investments of the Trust Property. The provisions of this Section 8.3 shall not be construed to permit the indemnification of any agent of the Trust with respect to breaches by it of a contract between it and the Board of Trustees. As to any matter disposed of by a compromise payment by the Trustee, officer, employee, advisor, consultant or agent pursuant to a consent decree or otherwise, no indemnification either for said payment or for any other expenses shall be provided unless the Trust shall have received a written opinion from independent counsel approved by the Board of Trustees to the effect that such compromise payment was generally consistent with the probable outcome of litigation. No Participant shall be liable to any Person with

respect to any claim for indemnity or reimbursement, and any Trustee, officer, employee, advisor, consultant or agent may satisfy any right of indemnity or reimbursement granted herein or to which he may be otherwise entitled only out of the earnings of the Trust. The Board of Trustees may make advance payments in connection with indemnification under this paragraph (a) of this Section 8.3, provided that the indemnified Trustee, officer, employee, advisor, consultant or agent shall have given a written undertaking to reimburse the Trust in the event that it is subsequently determined that he is not entitled to such indemnification.

(b) Any action taken by or conduct on the part of the Custodian of Investments, the Investment Advisor, the Trust Administrator, a Trustee, an officer, an employee or an agent of the Trust in conformity with, or in good faith reliance upon, the provisions of Section 8.7 hereof shall not, for the purpose of this Trust Agreement (including, without limitation, Sections 8.1 and 8.2 and this Section 8.3) constitute bad faith, willful misfeasance, gross negligence or reckless disregard of his duties.

Section 8.4. Surety Bonds. No Trustee shall, as such, be obligated to give any bond or surety or other security for the performance of any of his duties.

Section 8.5. Apparent Authority. No purchaser, seller, transfer agent or other Person dealing with the Board of Trustees or the Investment Advisor shall be bound to make any inquiry concerning the authority of the Board of Trustees or the Investment Advisor with regard to the validity of any transaction purporting to be made by the Board of Trustees or the Investment Advisor or make inquiry concerning or be liable for the application of money or property paid, transferred or delivered to or on the order of the Board of Trustees or the Investment Advisor.

Section 8.6. Recitals. Any written instrument creating an obligation of the Trust shall be conclusively taken to have been executed by the Board of Trustees or a Trustee, officer, employee or agent of the Trust only in such capacity under this Trust Agreement. Any written instrument creating an obligation of the Trust shall refer to this Trust Agreement and contain a recital to the effect that the obligations thereunder are not personally binding upon, nor shall resort be had to the property of, any of the Trustees, Participants, officers, employees or agents of the Trust, and that only the Trust Property or a specific portion thereof shall be bound, and such written instrument may contain any further similar recital which may be deemed appropriate. The omission of any recital required pursuant to this Section 8.6 shall not operate to impose personal liability upon any of the Trustees, Participants, officers, employees or agents of the Trust.

Section 8.7. Reliance on Experts. Etc. Each Trustee and each officer of the Trust shall, in the performance of his duties, be fully and completely justified and protected with regard to any act or failure to act resulting from reliance in good faith upon the books of account or other records of the Trust, upon an opinion of counsel or upon reports made to the Trust by any of its officers or employees or by the Investment Advisor, the Trust Administrator, the Custodian of Investments, accountants, appraisers or other experts or consultants selected with reasonable care by the Board of Trustees or officers of the Trust.

Section 8.8. Liability Insurance. The Board of Trustees may obtain insurance or other forms of risk coverage for the protection of the Trust Property, and the Trustees, Participants, officers, employees and agents of the Trust in such amount as the Board of Trustees shall deem adequate to cover all foreseeable tort and contract liability to the extent available at reasonable rates. The Board of Trustees is authorized to obtain such coverage from the Arkansas Municipal League Legal Defense Fund.

ARTICLE IX UNITS OF PARTICIPATION IN A COLLECTIVE FUND

Section 9.1. Division Into Units. Collective Fund Assets held for the credit of a Collective Fund shall be divided into Units of participation, and each Participant who invests in such Collective Fund shall be the owner of such Units in proportion to the amount of the Participant's investment. The number of Units that may be used to measure and represent the proportionate allocation of beneficial interest among Participants is unlimited. All Units of a Collective Fund shall be of one class representing equal distribution, liquidation and other rights with respect to the Collective Fund. The beneficial interests hereunder measured by the Units shall not entitle a Participant in a Collective Fund to preference, preemptive, appraisal, conversion or exchange rights of any kind with respect to the Collective Fund Assets.

Section 9.2. Allocation of Units.

(a) The Board of Trustees, in its discretion, may, from time to time, allocate Units, in addition to the then allocated Units, to Participants in a Collective Fund for such amounts and such types of consideration, and on such terms as the Board of Trustees may deem best. In connection with any allocation of Units, the Board of Trustees may allocate fractional Units. The Board of Trustees may from time to time adjust the total number of Units allocated to a Collective Fund without thereby changing the proportionate beneficial interests in the Collective Fund.

(b) Units may be allocated only to Pension Funds that have become Participants in accordance with Section 2.1 hereof.

(c) The minimum amount of funds which must be maintained in a Collective Fund by a Participant at any one time shall be as set forth in the Information Statement.

Section 9.3. Evidence of Unit Allocation. Evidence of Unit allocation of a Collective Fund shall be reflected in the Unit Register maintained by or on behalf of the Trust pursuant to Section 10.1 hereof, and the Trust shall not be required to issue certificates as evidence of Unit allocation.

Section 9.4. Redemption of Units Attributable to Income. Units attributable to income shall be subject to redemption pursuant to the procedure set forth in Section 11.2.

Section 9.5. Redemption of Units at the Request of a Participant. Payments by the Board of Trustees to Participants, and the reduction of Units resulting therefrom, are, for convenience, referred to in this Trust Agreement as "redemptions." Any and all allocated Units may be redeemed at the

option of the Participant whose beneficial interest in a Collective Fund is measured by such Units, upon and subject to the terms and conditions provided in this Trust Agreement and the Information Statement. The Trust shall, upon application of any Participant, promptly redeem from such Participant allocated Units for an amount per Unit equivalent to the proportionate interest measured by each Unit in the net assets of the Collective Fund at the time of redemption. The procedures for effecting redemption shall be adopted by the Board of Trustees and as set forth in the Information Statement of the Trust, as the same may be amended from time to time; provided, however, that such procedures shall not be structured so as to restrict substantially and materially the ability of a Participant to withdraw funds from the Trust by the redemption of Units.

Section 9.6. Suspension of Redemption; Postponement of Payment. Each Participant, by its adoption of this Trust Agreement, agrees that the Board of Trustees may, without the necessity of a formal meeting of the Board of Trustees, temporarily suspend the right of redemption or postpone the date of payment for redirected Units for the whole or any part of any period (i) during which there shall have occurred any state of war, national emergency, banking moratorium or suspension of payments by banks in the State of Arkansas or any general suspension of trading or limitation of prices on the New York Stock Exchange, American Stock Exchange or the NASDAQ trading system (other than customary weekend and holiday closings) or (ii) during which any financial emergency situation exists as a result of which disposal by the Trust of Trust Property is not reasonably practicable because of the substantial losses which might be incurred or it is not reasonably practicable for the Trust fairly to determine the value of its net assets. Such suspension or postponement shall not alter or affect a Participant's beneficial interest hereunder as measured by its Units or the accrued interest and earnings thereon. Such suspension or payment shall take effect at such time as the Board of Trustees shall specify but not later than the close of business on the business day next following the declaration of suspension, and thereafter there shall be no right of redemption or payment until the Board of Trustees shall declare the suspension or postponement at an end, except that the suspension or postponement shall terminate in any event on the first day on which the period specified in the clause (i) or (ii) above shall have expired (as to which, the determination of the Board of Trustees shall be conclusive). In the case of a suspension of the right of redemption or a postponement of payment for redeemed Units, a Participant may either (i) withdraw its request for redemption or (ii) receive payment based on the net asset value existing after the termination of the suspension.

Section 9.7. Minimum Redemption. The minimum redemption from a Collective Fund shall be as set forth in the Information Statement.

Section 9.8. Defective Redemption Requests. In the event that a Participant shall submit a request for the redemption of a greater number of Units than are then allocated to such Participant, such request shall not be honored. Each Participant, by its adoption of this Trust Agreement, agrees that the Board of Trustees shall have full and complete power to redeem an amount of the Units allocated to such Participant, at a redemption price determined in accordance with Section 9.5 hereof, sufficient to reimburse the Trust for any fees, expenses, costs or penalties actually incurred by the Trust as a result of such defective redemption request.

ARTICLE X RECORD OF UNITS

Section 10.1. Unit Register. The Unit Register shall be kept by or on behalf of the Board of Trustees and shall contain (i) the names and addresses of the Participants, (ii) the number of Units representing their respective beneficial interests in a Collective Fund, and (iii) a record of all allocations and redemptions thereof. Such Unit Register shall be conclusive as to the identity of the Participants to which the Units are allocated. Only Participants whose allocation of Units is recorded on such Unit Register shall be entitled to receive distributions with respect to Units or otherwise to exercise or enjoy the rights and benefits related to the beneficial interest hereunder represented by the Units. No Participant shall be entitled to receive any distribution or to have notices given to it as herein provided until it has given its appropriate address to such officer or agent of the Trust as shall keep the Unit Register for entry thereon.

Section 10.2. Registrar. The Board of Trustees shall have full and complete power to employ a registrar. Unless otherwise determined by the Board of Trustees, the Unit Register shall be kept by the Custodian for Investments which shall serve as the registrar for the Trust. The registrar shall record the original allocations of Units in the Unit Register. Such registrar shall perform the duties usually performed by registrars of certificates and shares of stock in a corporation, except as such duties may be modified by the Board of Trustees.

Section 10.3. Owner of Record. No Person becoming entitled to any Units in consequence of the merger, reorganization, consolidation, bankruptcy or insolvency of any Participant or otherwise by operation of law shall be recorded as the Participant to which such Units are allocated. Such Person may become entitled to the redemption value of such Units as provided by law. Upon such Person becoming entitled to such redemption value and applying for the payment thereof and presenting proof of such entitlement as the Board of Trustees may in its sole discretion deem appropriate, the Participant of record to which such Units are allocated shall be deemed to be the Participant to which such Units are allocated under Section 9.2 hereof, and neither the Board of Trustees, the registrar nor any officer or agent of the Trust shall be affected for purposes of recording allocation of Units by any notice of such merger, reorganization, consolidation, bankruptcy, insolvency or other event.

Section 10.4. No Transfer of Units. The beneficial interests measured by the Units shall not be transferable, in whole or in part, other than to the Trust itself for purposes of redemption.

Section 10.5. Limitation of Responsibility. The Board of Trustees shall not, nor shall the Participants or any officer, registrar or other agent of the Trust, be bound to determine the existence of any trust, express, implied or constructive, or of any charge, pledge or equity to which any of the Units or any interest therein are subject, or to ascertain or inquire whether any redemption of any such Units by any Participant or its representatives is authorized by such trust, charge, pledge or equity; or to recognize any Person as having any interest therein except the Participant recorded as the Participant to which such Units are allocated. The receipt of moneys by the Participant in whose name any Unit is recorded or by the duly authorized agent of such Participant shall be a sufficient

discharge for all moneys payable or deliverable in respect of such Unit and from all responsibility to see to the proper application thereof.

Section 10.6. Notices.
