PURCHASING TERMS AND CONDITIONS

These Purchasing Terms and Conditions, together with the Equipment Proposal and all attachments (collectively, the “Agreement”) are entered into by and between Southern States Fire LLC, a Mississippi limited liability company, (“Company”) and Customer (as defined in Southern States Fire LLC’s Equipment Proposal document) and is effective as of the date specified in Section 3 of these Purchasing Terms and Conditions. Both Company and Customer may be referred throughout this document individually as a “party” or collectively as the “parties.”

1. Definitions.

- a. **“Acceptance”** has the same meaning set forth in Company’s Equipment Proposal.
- b. **“Company’s Equipment Proposal”** means the Equipment Proposal provided by Company and prepared in response to Customer’s request for proposal for a fire apparatus and associated equipment.
- c. **“Cooperative Purchasing Contract”** means an Agreement between Company and a public authority, including without limitation, a department, division, agency of a municipal, county or state government (“Public Authority”), that adopts or participates in an existing agreement between Company and another non-party customer (including, but not limited to such non-party customer’s equipment proposal, its applicable exhibits, attachments and purchasing terms and conditions), often referred to as a “piggyback arrangement,” which is expressly agreed to, in writing, by Company. Company has sole discretion to determine whether it will agree to such a Cooperative Purchasing Contract.
- d. **“Delivery”** means when Company delivers physical possession of the Product to Customer.
- e. **“Manufacturer”** means the Manufacturer of any Product.
- f. **“Prepayment Discount”** means the prepayment discounts, if any, specified in Company’s Equipment Proposal.
- g. **“Product”** means the fire apparatus and any associated equipment furnished for Customer by Company pursuant to the Specifications.
- h. **“Purchase Price”** means the Total price set forth in the Quotation, adjusted for the final net price for the chassis charged by the original equipment manufacturer set forth in the final invoice submitted to the Company by the manufacturer.
- i. **“Change Order”** means the Change Order Request(s) provided by the Company and prepared in response to the Customer’s request to change or modify the Specifications.
- j. **“Purchasing Terms and Conditions”** means these Purchasing Terms and Conditions; however, if the Company’s Equipment Proposal or the Customer’s related Purchase Order states that it is governed by a Cooperative Purchasing Agreement, “Purchasing Terms and Conditions” shall mean those terms and conditions set forth in the applicable Cooperative Purchasing Agreement.
- k. **“Specifications”** means the general specifications, technical specifications, training, and testing requirements for the Product contained in Company’s Equipment Proposal and its attached specification summary, prepared in response to Customer’s request for such a proposal.

2. Purpose. This Agreement sets forth the terms and conditions of Company’s sale of the Product to Customer.

3. Term of Agreement. This Agreement will become effective on the date of Acceptance as defined in Company’s Equipment Proposal (“Effective Date”) and, unless earlier terminated pursuant to the terms of this Agreement, it will terminate upon Delivery and payment in full of the Purchase Price.

4. Purchase and Payment. Customer agrees to pay Company the Purchase Price for the Product(s) and agrees that the total amount invoiced will be paid in full at time of delivery. The Purchase Price is in U.S. dollars. Where Customer opts for a Prepayment Discount that specifies that Customer will tender one or more prepayments to Company, Customer must provide each prepayment within the time frame specified in the Equipment Proposal in order to receive the Prepayment Discount for that prepayment installment. To the extent permitted by applicable law, Company may in its sole discretion charge a convenience fee if Customer elects to pay the Purchase Price by means of a credit card.

5. Inflationary Notice. Customer agrees that due to unprecedented volatility with inflationary pressures in our economy, and existing market demand creating substantial production backlogs, the Company reserves the right to potentially request price escalation under this contract. To be fair and reasonable, any price escalation request will be presented and supported with specific evidence of supply chain cost increases from material or component providers due to tariffs or other conditions beyond the Company’s control. Upon request, this may include copies of invoices from relevant suppliers to substantiate accordingly. Any request will be made in a timely manner for careful review and consideration.

6. Assignment of Agreement. Customer agrees that the Company has the right to assign a security interest in this Agreement to a third party, and in all amounts payable by the Customer to the Company under this Agreement. Accordingly, Customer agrees, as a fundamental component of the proceeds of this Agreement being assigned to a third party, to remit payment of all such amounts jointly to "Southern States Fire LLC and the third party" in accordance with such instructions as the Company provides when payments are due.
7. Change Order(s). Customer agrees that any Change Order(s) submitted can affect price and/or final completion date of apparatus and will become part of this agreement. Change Order(s) must be submitted in accordance with the manufacturer's Change Order Policy, a copy of which is attached to this agreement as Exhibit A.
8. Representations and Warranties. Customer hereby represents and warrants to Company that the purchase of the Product(s) has been approved by Customer in accordance with applicable general laws and, as applicable, Customer's charter, ordinances and other governing documents, and funding for the purchase has been duly budgeted and appropriated.
9. Cancellation/Termination.
 - a. Fire Equipment and Apparatus Sales. In the event this Agreement is cancelled or terminated by Customer before completion, Company may charge Customer a cancellation fee. The following charge schedule is based on costs incurred by Manufacturer and Company for the Product, which may be applied and charged to Customer: (a) 12% of the Purchase Price after the order for the Product(s) is accepted and entered into Manufacturer's system by Company; (b) 22% of the Purchase Price after completion of approval drawings by Customer, and; (c) 32% of the Purchase Price upon any material requisition made by the Manufacturer for the Product. The cancellation fee will increase in excess of (c) in this Section 6, accordingly, as additional costs are incurred by Manufacturer and Company as the order progresses through engineering and into the manufacturing process.
10. Delivery. The Product is scheduled to be delivered as specified in the Delivery Timing section of the Equipment Proposal ("Delivery Timing"), which will be F.O.B. Company's facility. The Delivery Timing is an estimate, and Company is not bound to such date unless it otherwise agrees in writing. Company is not responsible for Delivery delays caused by or as the result of actions, omissions or conduct of the Manufacturer, its employees, affiliates, suppliers, contractors, and carriers. All right, title and interest in and to the Product, and risk of loss, shall pass to Customer upon Delivery of the Product(s) to Customer.
11. Standard Warranty. The Customer agrees that any warranties applicable to this Agreement, if any, are pass through warranties from the manufacturer and are included in the Specification Summary that is attached to Company's Equipment Proposal and is incorporated herein as part of the Agreement.
 - a. Disclaimer. EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, COMPANY, INCLUDING ITS PARENT COMPANY, AFFILIATES, SUBSIDIARIES, AND THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, SHAREHOLDERS, AGENTS OR REPRESENTATIVES DO NOT MAKE ANY REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE PRODUCTS PROVIDED UNDER THIS AGREEMENT, WHETHER ORAL OR WRITTEN, EXPRESS, IMPLIED OR STATUTORY. WITHOUT LIMITING THE FOREGOING DISCLAIMER, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, IMPLIED WARRANTY AGAINST INFRINGEMENT, AND IMPLIED WARRANTY OR CONDITION OF FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY EXCLUDED AND DISCLAIMED. STATEMENTS MADE BY SALES REPRESENTATIVES OR IN PROMOTIONAL MATERIALS DO NOT CONSTITUTE WARRANTIES.
12. Limitation of Liability. COMPANY WILL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, ECONOMIC, PUNITIVE, SPECIAL OR EXEMPLARY DAMAGES ARISING FROM OR IN ANY WAY CONNECTED WITH THIS AGREEMENT WITHOUT REGARD TO THE NATURE OF THE CLAIM OR THE UNDERLYING THEORY OR CAUSE OF ACTION (WHETHER IN CONTRACT, TORT, STRICT LIABILITY, EQUITY OR ANY OTHER THEORY OF LAW) ON WHICH SUCH DAMAGES ARE BASED. COMPANY'S LIMIT OF LIABILITY UNDER THIS AGREEMENT SHALL BE CAPPED AT THE TOTAL AMOUNT OF THE MONIES PAID BY CUSTOMER TO COMPANY UNDER THIS AGREEMENT.

13. Force Majeure. Company shall not be responsible nor deemed to be in default on account of delays in performance due to causes which are beyond Company's control or which make Company's performance impracticable, including but not limited to wars, insurrections, strikes, riots, fires, storms, floods, other acts of nature, explosions, earthquakes, accidents, transportation or delivery delays or losses outside of Company's control, any act of government, inability or delay of Company or manufacturer in obtaining necessary labor or adequate or suitable manufacturing components at reasonable prices, allocation regulations or orders affecting materials, equipment, facilities or completed products, failure to obtain any required license or certificates, acts of God or the public enemy, terrorism, epidemics, quarantine restrictions, failure of vendors to perform their contracts, or labor troubles of Company or a manufacturer causing cessation, slowdown, or interruption of work.
14. Customer's Obligations. Customer shall provide its timely and best efforts to cooperate with Company and Manufacturer during the manufacturing process to create the Product. Reasonable and timely cooperation includes, without limitation, Customer's providing timely information in response to a request from Manufacturer or Company and Customer's participation in traveling to Manufacturer's facility for inspections and approval of the Product.
15. Default. The occurrence of one or more of the following shall constitute a default under this Agreement: (a) Customer's failure to pay any amounts due under this Agreement or Customer's failure to perform any of its obligations under this Agreement; (b) Company's failure to perform any of its obligations under this Agreement; (c) either party becoming insolvent or becoming subject to bankruptcy or insolvency proceedings; (d) any representation made by either party to induce the other to enter into this Agreement, which is false in any material respect; (e) an action by Customer to dissolve, merge, consolidate or transfer a substantial portion of its property to another entity; or (f) a default or breach by Customer under any other contract or agreement with Company.
16. Manufacturer's Statement of Origin. Company shall retain possession of the manufacturer's statement of origin ("MSO") for the Product until the entire Purchase Price has been paid. If more than one Product is covered by this Agreement, Company shall retain the MSO for each individual Product until the Purchase Price for that Product has been paid in full.
17. Arbitration. Any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The Arbitration shall take place in Arkansas.
18. Miscellaneous. The relationship of the parties established under this Agreement is that of independent contractors and neither party is a partner, employee, agent, or joint venture of or with the other. Neither party may assign its rights and obligations under this Agreement without the prior written approval of the other party. This Agreement and all transactions between Southern States Fire LLC will be governed by and construed in accordance with the laws of the State of Arkansas. The delivery of signatures to this Agreement may be via facsimile transmission or other electronic means and shall be binding as original signatures. This Agreement shall constitute the entire agreement and supersede any prior agreement between the parties concerning the subject matter of this Agreement. This Agreement may only be modified by an amendment, in writing, signed by duly authorized representatives of both parties with authority to sign such amendments to this Agreement. In the event of a conflict between the Southern States Fire LLC Proposal and these Terms and Conditions, the Southern States Fire LLC Proposal shall control except in the case of a Cooperative Purchasing Contract as set forth in Section 1(c) and (h) of these Purchasing Terms and Conditions. If any term of this Agreement is determined to be invalid or unenforceable by a competent legal authority, such term will be either reformed or deleted, as the case may be, but only to the extent necessary to comply with the applicable law, regulation, order or rule, and the remaining provisions of the Agreement will remain in full force and effect.
