RES-11:169

A RESOLUTION TO THE CITY OF JONESBORO, ARKANSAS TO ENTER INTO AN AGREEMENT WITH GARVER, LLC TO PERFORM PROFESSIONAL ENGINEERING SERVICES

Sponsors: Engineering

Attachments: [Agreement.pdf](#)

City Engineer Craig Light explained this is for the Bridge Street bridge rehabilitation project and the City is trying to get it designed this year so it can go out to bid. He added as soon as the overpass to ASU is completed then the City will be able to either shut down or limit the use on Bridge Street for this project. Discussion was then held concerning what work will be done on the bridge.

Councilman Chris Moore asked how long the bridge will be closed. Mr. Light answered they are looking at a couple of weeks at a time, but they are not planning on having the bridge closed during the entire construction period. He noted the City will know more once the plans are developed.

Councilman Gene Vance recommended figuring out what the total construction time would be by totally closing the bridge verses closing the bridge at several different times. He added the work could be completed faster if the bridge is closed completely.

Mayor Perrin stated he would prefer the bridge be totally closed during the construction.

A motion was made by Councilman Chris Moore, seconded by Councilman Gene Vance, that this matter be Recommended to Council . The motion PASSED by a unanimous vote

Aye: 5 - Gene Vance;Chris Moore;Mitch Johnson;Darrel Dover and Charles Coleman

4. Pending Items

5. Other Business
