

CITY OF JONESBORO

June 25, 2007

Mr. Ralph Ohm General Counsel
211 Hobson Avenue
Post Office Box 1558
Hot Springs, AR 71902-1558

Mr. Ohm:

I, Mayor Doug Formon, City of Jonesboro, was served with a *Waiver of Service* on a lawsuit regarding P & J Development vs. City of Jonesboro and MAPC (Metropolitan Planning Committee) at approximately 8:30 a.m. on May 15th. Mr. John Sloan personally came into my office and served me with the papers. My Assistant, Brenda Sipa, was out of the office on May 14 – 17 due to a sick child. Rick Barker was a part time temp who was filling in for Ms. Sipa on May 15th, the day I was served.

Mr. Barker stated he remembered when the document was served, but can not remember what happened to the large document of files that he was instructed to mail to the General Counsel of Ralph Ohm's office in Hot Springs, as well as make a copy for the City Attorney, Phillip Crego.

Our office was not made aware that the appropriate response had not been filed until Friday, June 22nd.

Sincerely,

Mayor Doug Formon
