Jonesboro, AR 72403-1845

Dear Tony:

Please find the attached amended resolution that allows Syntel to participate in the Arkansas Tax Back program. The original application was passed in November 2005 as Resolution No. 2005:138. The only change from the previous resolution is the name.

Sincerely,

A handwritten signature in blue ink that reads "Mark Young". The signature is written in a cursive style with a large, sweeping flourish at the end.
