Re: RZ-18-12-2 for 1130 Greensboro Road

To the members of the Jonesboro City Council:

Please allow this to serve as Rickey Jackson's request for an appeal of the MAPC decision rendered on October 9, 2018 on this rezoning application. I am enclosing a copy of the application, staff report and minutes of the meeting for your reference. After reviewing these documents, you will see that the MAPC's decision was arbitrary, capricious and inappropriate.

Please set this matter for an appeal hearing on the Council's docket.

Sincerely,

WOMACK PHELPS
PURYEAR MAYFIELD & McNEIL
