Otis,

I just wanted to let you know that we will be at the meeting tomorrow afternoon.

Here's where we are:

- We have circulated a petition to oppose this and have a significant number of signatures from property owners within 200' feet
- We have a number of signatures from property owners beyond the 200' distance
- We have organized our concerns and have the documentation to formally oppose this

We'd like to make sure there will be time to discuss this tomorrow. Myself and Jeff Scriber will be speaking on behalf of the group and we will have some folks there tomorrow.

I will give you a call to follow up.

Thanks,

Steve
