PETITION IN FAVOR OF APPROVAL OF CONDITIONAL USE APPLICATION OF KING'S RANCH

We, the undersigned citizens of Jonesboro, Arkansas, express our support for the Conditional Use Application of King's Ranch, and we urge the City Council to approve such application. We believe the mission of King's Ranch - to provide a loving, nurturing, privately funded, Christian home, in a ranch-like setting, for not more than eight children, in an existing 4,900 sq. ft. residence located at 2816 Day Drive, Jonesboro, is in the public interest and beneficial to Jonesboro. We also believe it is an appropriate use for an R-1 residential area, with conditions recommended by the MAPC Staff.

**PETITION IN FAVOR OF APPROVAL OF CONDITIONAL USE  
APPLICATION OF KING'S RANCH**

We, the undersigned citizens of Jonesboro, Arkansas, express our support for the Conditional Use Application of King's Ranch, and we urge the City Council to approve such application. We believe the mission of King's Ranch - to provide a loving, nurturing, privately funded, Christian home, in a ranch-like setting, for not more than eight children, in an existing 4,900 sq. ft. residence located at 2816 Day Drive, Jonesboro, is in the public interest and beneficial to Jonesboro. We also believe it is an appropriate use for an R-1 residential area, with conditions recommended by the MAPC Staff.

**PETITION IN FAVOR OF APPROVAL OF CONDITIONAL USE  
APPLICATION OF KING'S RANCH**

We, the undersigned citizens of Jonesboro, Arkansas, express our support for the Conditional Use Application of King's Ranch, and we urge the City Council to approve such application. We believe the mission of King's Ranch - to provide a loving, nurturing, privately funded, Christian home, in a ranch-like setting, for not more than eight children, in an existing 4,900 sq. ft. residence located at 2816 Day Drive, Jonesboro, is in the public interest and beneficial to Jonesboro. We also believe it is an appropriate use for an R-1 residential arca, with conditions recommended by the MAPC Staff.
