*Chairman Mitch Johnson said, I have to ask a question. Some of the tax lien stuff had*

900 Hoover on it. Code Enforcement Director Michael Tyner said, there was a discrepancy that we have since had corrected on the way the county was listing the address in comparison to the actual parcel number to it. But, we have got that corrected since. Chairman Johnson asked, so it is 900 Patrick and not Hoover, right? Mr. Tyner said, yes sir. We have been mowing it for several years. It was condemned once before and the owner brought it up to code. It has sit empty and has since fallen into disrepair and been subject to vandalism and all of the fun stuff that comes along with that. Chairman Johnson said, I understand. I can tell by the pictures.
