

Sec 117-330. – Sidewalks

- (a) Sidewalks shall be installed by the developer along both sides of all streets in subdivisions or lot splits platted after (Adoption date by City Council). Developers shall also install sidewalks along the street frontage of existing commercial and industrial lots developed after (Adoption date by City Council), excluding minor expansions of existing facilities equaling 20 percent or less of the currently developed lot in any three year period.
- (b) All sidewalks and related improvements shall be designed and constructed in accordance with Chapter 58 of the Jonesboro Code of Ordinances.
 - 1. Sidewalks shall be allocated as shown on the street typical sections for the various roadway classifications of the Master Street Plan.
 - 2. The City Planner or City Engineer has the authority to grant exceptions to the sidewalk location in order to accomplish reasonable continuity in sidewalks.
 - 3. The City of Jonesboro shall be responsible for the maintenance of sidewalks that are constructed in the public right-of-way or in an easement that has been dedicated and accepted by the City of Jonesboro for the purpose of a sidewalk, Sidewalks located outside the public right-of-way or not in a dedicated easement shall be the responsibility of the owner of said property to maintain.
- (c) The developer has the option of installing the sidewalk per code or paying a sidewalk fee in lieu of construction. The fee shall be the amount of the sidewalk installation at a value determined by the design engineer and agreed to by the City Engineer or his/her designated representative. If a sidewalk fee is accepted, the money will be deposited into a Sidewalk Fund to be used at the discretion of the City for the maintenance and installation of sidewalks.
