

# CITY OF JONESBORO: MASTER STREET PLAN

January 14, 2020

# Master Street Plan Committee History

Tasked by Mayor Perrin to review every two years

Sidewalk committee held open meetings starting May 2, May 16, June 13, June 27, July 11, July 25, September 12, September 26, October 17, and November 14, 2019

MSP Committee voted unanimously to forward to MAPC

# Purpose of MSP

- ▣ Reserve right-of-way for future streets
- ▣ Provide development community with information of ROW requirements in new developments
- ▣ Show alternative forms of transportation options
- ▣ Help promote orderly growth and development
- ▣ Position the city of future grants

# MSP Committee Members

Mitch Johnson Committee Chair, Josh Brown, William Cheatham, David Handwork P.E., Billy Holland, Judy Casteel, Broodshield Laurent D.O., Grant McDaniel P.E., Joes Msall P.E., Vincent Turner

# Changes to Master Street Plan

- ▣ Added a section on Access Management
- ▣ Added a section to require Traffic Impact Analysis
- ▣ Changed all the cross sections to reduce ROW and allow for addition forms of transportation
- ▣ Changed all the arterial streets in and around the downtown area to more pedestrian friendly collector sections
- ▣ Removed several future arterial streets outside the city limits from the plan

# Master Street Plan Ordinance

- ▣ After discussion and review by MAPC, forward to City Council for three readings
- ▣ City Council will review and approve or make recommendations for changes

# Questions?
