RE: Board of Zoning Adjustment
3914 S. Caraway Road
Civilogic File Number: 121025

Dear Mr. Smith:

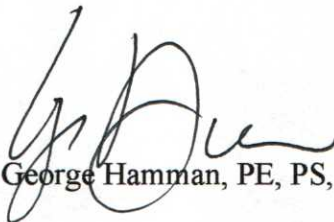

We are writing today to form the narrative letter that is to accompany a variance request.

The owner desires to place a mini-storage facility on the above captioned address. Because of the nature of the storage buildings, he is requesting the masonry requirement be imposed only on the faces of the buildings that face Caraway Road (primarily the west end of the building).

Thank you for your time and attention. If we may be of further service, or if you have questions, please do not hesitate to contact us at the locations listed above.

Respectfully,

George Hamman, PE, PS, President
