REQUESTED CONDITIONAL USE

Describe the proposed use, explain why it is appropriate for this location, and describe any precautions to be taken to minimize adverse impacts on neighboring properties.

Proposed Use: The applicant has the property under contract to purchase, and is interested in using the existing billboard, but exchanging the static displays (4 each at 12' x 24') to digital displays (2 each at 14' x 48').

This Location: Exchanging the four existing static displays to two digital displays is appropriate for this location because of the existing exposure. In addition, it reduces the actual number of billboards by 50%.

Precautions for neighboring properties: As is traditional, the signs shall meet the rigorous structural standards. In addition, there shall be time-frames imposed for the advertising that will appear on the new signs.
