Minutes for the City Council meeting on September 7, 2004.

PUBLIC HEARING - 6:00 P.M. - In a letter addressed to City Clerk, Donna Jackson, Attorney David Menz, requested the public hearing for the establishment of two TIF districts be postponed due to the request being premature.

PUBLIC HEARING - 6:15 P.M. - A public hearing was conducted regarding the issuance of taxable Industrial Revenue Bonds to finance the expansion and improvement of an industrial facility for Frito-Lay, Inc. Dr. Richard Wang, Professor of Political Science addressed the Jonesboro City Council requesting that the ordinance be read on three separate meetings allowing for further comment and study. Dr. Wang contended that it was a loss of revenue for the schools, county and public library. He further stated the agreement was unclear what the conditions were for the in lieu of taxes if the bonds are extended. Mayor Brodell responded saying it was a new issue, and the school district and tax assessor's office both has signed off on the agreement. Dr. Wang responded saying it was a restoration or extension of the original arrangement and requested the City Council to consider it carefully because the City would be incurring debt.
