MAPC MINUTES
JULY 11, 1980

The Metropolitan Area Planning Commission met Thursday, July 10, 1980 in the court room at City Hall.

The meeting was called to order by Mr. Ralph Morrison, Chairman.

Members Present: Morrison, Ball, Gott, Freeman, Brown and Scott

Members Absent: Cooper, Smith and Tilton.

Others Present: Mike Cameron, John Broadaway, Brenda Barnes and Curt Hodges.

Minutes for June were read with one correction. The vote on Item number nine was corrected to read that Ball ‘passed’ and Cooper, Smith, Tilton and Freeman voted ‘aye’. Minutes were then approved. Items for business were as follows:

Item #1 Roger Moore requests a rezoning from Residential One (R-1) to Commercial Three (C-3), the following described property:

The east one-half of Lots 11 and 12, and the west 7.5 feet of an abandoned alley adjacent to the east side of said lots 11 and 12, all in Block 1 of Cole’s Second Addition to Jonesboro, Arkansas, being 101.5 feet east and west by 145 feet north. The general location of this property is south of Nettleton Avenue and east of Cole Street.

Mr. Cleo Hooker, a representative of the surrounding property owners expressed his concern for the drainage problem that might be created by the development. He further stated that he had asked Mr. Moore to change the zoning from C-3 to C-4. Mr. Moore agreed.

A motion was made by Mr. Gott and seconded by Mr. Ball to approve request from R-1 to C-4 with the stipulation that a site development plan be presented to the Planning Commission before any construction. Voting aye were Ball, Gott, Brown and Morrison, voting no, Scott. REQUEST APPROVED.

Item #2 Roger Moore requests approval of site development plans for the east one-half of Lots 11 and 12 of Block 1 and the west 7.5 feet of an abandoned alley adjacent to the west line of said lots 11 and 12, all in Coles Second Addition to Jonesboro, Arkansas.

Mr. Ball made a motion to table request, seconded by Mr. Brown. Reason for tabling was result of the developer's agreement in item #1 to improve the drainage on the property. The development plan therefore would not be complete until it shows the planned drainage improvements. REQUEST TABLED UNANIMOUSLY.
