APPEAL HEARING - An Appeal Hearing was held regarding the MAPC rezoning denial of property owned by Mr. Paul Arnold. Mr. Arnold was represented by Attorney Jim Lyons regarding this matter. City Planner, Jim Shaw explained the MAPC felt that the rezoning of this property would be improper due to the MAPC recommendation of the Kent Arnold property earlier. Mr. Moore stated the job was bigger than he anticipated and asked the council for a sixty day extension. Councilman Evans argued that

five years was plenty of time to have this done. However, Councilman Kelton stated 60 more days could not hurt. Councilwoman Ingram stated it sometimes takes five years to get a yard mowed. Councilman Harpole stated he felt Mr. Moore should come back to every council meeting and give a report on his progress. But Councilman Province stated he would rather grant the 60 day extension and address the matter at the end of the sixty days if it is not resolved. Councilman Mullenix questioned if Mr. Bud Marshall, Training Officer is advanced to a Captain, would he be moved. Councilman Mullenix was told he would not be. City Attorney, Pam Honeycutt reminded the council if this is a promotion then it must be first approved by the Civil Service Commission. It was determined that this was merely restructuring within the department. Councilman Perrin stated there would be an increase in pay and Councilman Vance and Councilman Province both explained that before Mr. Marshall or anyone else is promoted from Lieutenant to Captain they would have to meet the Civil Service guidelines. Councilman Wise asked who is eligible to be Captain. Interim Police Chief Jack McCann stated three police officers were eligible, Bud Marshall, Rohnny McDaniel, and B.J. Smith.
