Minutes for the City Council meeting on December 2, 1996

APPEAL HEARING - 5:40 P.M. - An Appeal Hearing was held regarding the MAPC rezoning denial for 1.82 acres located on the east side of Harrisburg Road, south of Gladiolus Drive. Mr. David Onstead and Mr. Gary Childers requested the Appeal Hearing and were represented by their attorney, Mr. C. Mooney, Sr. No opposition was voiced.

APPEAL HEARING - 6:00 P.M. - An Appeal Hearing was held regarding the MAPC denial of a site plan approving two additional dwelling units to be built on a lot with an existing home at 1115 W. Jefferson. The Appeal Hearing was requested by Mr. Jim Darnell. Mr. Darnell questioned why a site plan is required when the structure is being built in compliance with Residential-2 (R-2) zoning. Mr. Brian Wadley, Planning and Inspection Director stated Mr. Darnell is not in compliance with R-2 zoning because in R-2 zoning drive-ways are normally 24 feet wide, however, Mr. Darnell's is only 14 feet wide. Another non-compliance matter discussed was the density (15 units per acre) being more than what is allowed in R-2 zoning. It was explained by Mr. Wadley, the excess density creates poor drainage.

PUBLIC HEARING - 6:20 P.M. - A Public Hearing was held regarding the abandonment of street right-of-ways for Norma Drive, Charles Drive, and China Drive, all located in Metzler Addition. No opposition was voiced. (St. Bernards Hospital / Berl Smith)

AN ORDINANCE TO AMEND ORDINANCE NO. 954 KNOWN AS THE ZONING ORDINANCE PROVIDING FOR CHANGES IN ZONING BOUNDARIES AND FOR OTHER PURPOSES (Burrow/Dennis Zolper)

Mr. Dennis Zolper, Attorney for Belz-Burrow, began the first presentation. Mr. Zolper cited the following, stating the facts justify their rezoning: Nine out of Ten adjacent property owners were not opposed to the rezoning; All members of the Metropolitan Area Planning Commission were in favor of the rezoning; City Officials (Police Chief, Fire Chief, Planning & Inspection) had no negative comments. Mr. Zolper stated Wal-Mart was willing to provide a 100 foot buffer with additional 50 feet of trees and landscaping. Mr. Zolper addressed several issues raised by the opposition. Those issues were: Criminal activity, Emergency Response Time, and Excessive Traffic. Mr. Zolper provided statistics regarding crime reports around both Wal-Mart stores and Indian Mall, pointing out most of the criminal activity was shop-lifting. Regarding Emergency response time, he pointed out a Fire Station is located near the area, and neither the Police Chief nor Fire Chief were overly concerned about response time within this area. Mr. Zolper further explained there would be no access on to Paula Drive, and turn lanes would be provided for traffic wishing to exit into the parking lot. Mr. Zolper highlighted the positive aspects of having another Wal-Mart Super Center in Jonesboro, listing the Sales Tax generated, 14 Million in construction, 150 new jobs, and the increase in real estate fares. In closing, Mr. Zolper reminded Council that Wal-Mart is the third largest employer in Jonesboro and the opposition does not speak for the majority.

Attorney Don Parker, representing the opposition, "Neighbors Standing Together", began by stating the opposition was not a small vocal group of elitists who were trying to prevent Wal-Mart and Wal-Mart customers from coming into the neighborhood. Nor, were they trying to maintain an elite neighborhood. Mr. Parker stated this matter was the preservation of the quality of life for the local residents opposed to the money and greed of big business. Several before and after comparisons were given: Safety, Crime, Traffic, and Property Values. Many of the comparisons given were of the Wal-Mart Super Center located in Conway. Dr. Gary Sapiro spoke for residents who were opposed to the rezoning, but not represented by Mr. Parker. He stated their main concern was the safety of the children. Mr. Zolper read a letter, from Belz-Burrow Retail Development. In it Belz-Burrow states that the proposed traffic layout which provides for the connection of old Woodsprings Road to new Woodsprings Road is a separate issue. Belz-Burrow stated what is being presented is the rezoning of 6.71 acres and the Council is not voting to approve the traffic layout as shown as an example by Belz-Burrow. Mr. Bob Thompson, a Paragould attorney, hired by Belz-Burrow, was asked to give an unbiased over-view of state zoning laws. Mr. Thompson stated the Legislative Process provides Council's legal conduct should be reasonable, to act reasonably. Councilman Young asked Mr. Thompson if he was suggesting the City would be sued if the Council did not agree to rezone the property. Mr. Thompson clarified that if it went to

court the legislative process would be looking to see if the Council acted reasonably. Several citizens addressed the Council regarding this matter. Mr. Jim Blankenship stated many felt they had been coerced into signing the petition agreeing to the rezoning. He explained they felt if they did not sign the petition the Wal-Mart Super Center would be built without a buffer zone. Mr. Robert Ryan questioned who would pay for traffic revisions. He questioned the longevity of Wal-Mart and was informed the lease was for twenty years. Sandy Simmons inquired about drainage problems. Mr. Dan Mulhollen stated the excess drainage would be routed under the interstate. Finally, Mr. Steve Abernathy explained he did not want a 24 hour service open at peak times, times when children would be going to school. He stated if the rezoning is approved, there is sure to be a traffic fatality. A roll call vote was taken resulting in an 8/2/1 vote in favor of the rezoning. Those members voting aye were: Vance, Province, Hannah, Tate, Kelton, Roddy, Perrin, and Harpole. Those members voting nay were: Wise and Young. Councilman Rega abstained from voting. The ordinance was given the number 2741.
