James Houston, regarding the abandonment of the south 171.37 feet of a 72 foot utility easement, located north of and abutting Spring Hollow Drive. CITY COUNCIL MINUTES - May 5, 1997

The Jonesboro City Council met Monday, May 5, 1997, at 6:30 p.m. A full quorum was in attendance. Present were: City Clerk, Donna K. Jackson, City Attorney, Phillip Crego and 10 council members. Those members were: Rorex, Province, Kelly, Tate, Crockett, Rega, Pratt, Fletcher, Bowers, and Roddy. Councilman Young and Councilman Kelton were unable to attend. Councilman Rega presided over the meeting in the absence of Mayor Brodell, and Vice Mayor Kelton.

The minutes of April 21, 1997, were approved as delivered by Councilman Tate seconded by Councilman Roddy. A voice vote was taken resulting in all council members voting aye. Those members voting aye were: Rorex, Province, Kelly, Tate, Crockett, Rega, Pratt, Fletcher, Bowers, and Roddy.

Councilman Rega presented awards to the Arkansas State University Debate Team who won at the national tournament. The following persons were honored: Chris McCracken, John Holder, Palmer Pellham, Joy Simpson, and Coach Michael Fisher.

The following ordinance was on second reading:

AN ORDINANCE TO ABANDON UNIMPROVED PORTIONS OF A TEN FOOT DRAINAGE EASEMENT BETWEEN LOTS 4 AND 5 OF THE DAVID SMITH 4TH ADDITION (Jimmy Doyle Hunt / Berl Smith)

Discussion was held regarding the significance of documentation provided to council members which covered

the history of a rezoning request approved with stipulations by the Metropolitan Area Planning Commission (MAPC). Jimmy Doyle Hunt requested approval of rezoning from Residential (R-1) to Commercial (C-3) for Lots 3, 4, 5, 6 & 7 of the David Smith 4th Addition, and for .68 acre located on the west side of North Church Street, south of Ginger Street, and on the east end of Tina Circle. The rezoning was approved by the MAPC with several stipulations. One stipulation was the abandonment of the Tina Circle right of way. City Clerk, Donna Jackson explained because Council wanted to address the rezoning and the abandonment of Tina Circle simultaneously, it was important for Council to know the rezoning ordinance had been tabled twice and pulled once. It was further explained the rezoning request was in conflict with procedures set by Ordinance No. 2605, that states once an item has been tabled or pulled three times, the item may not be brought before Council again for a one year period, and must start the procedural process over. Councilman Tate stated the rezoning had been delayed due to another MAPC stipulation requiring Lots 3 - 7 be replatted with property from 141 and access provided. Councilman Tate asked City Attorney, Phillip Crego if an exception could be made due to the replat delay. Mr. Crego stated the ordinance could be amended, but the ordinance did not provide for exceptions. Councilman Tate informed Council the landowner was to meet with the opposition in an effort to reach a compromise.

The following ordinance was on the second reading:

AN ORDINANCE TO ABANDON UNIMPROVED PORTIONS OF TINA CIRCLE LYING EAST OF LOTS 4 AND 5 OF THE DAVID SMITH 4TH ADDITION (Jimmy Doyle Hunt / Berl Smith)

Councilman Pratt explained to allow the Inspection Department to set fees without input from Council is an infringement on the Council’s authority.
