Minutes for the City Council meeting on December 6, 2005

PUBLIC HEARING - 6:15 P.M. - A public hearing was conducted for the purpose of granting a permit to operate a limousine service in the City of Jonesboro as requested by Mr. Randall Kisling. Mr. Kisling stated he wanted to operate his limousine service on the side, because he currently has another business. He explained he would be getting a 1999 Lincoln that would carry fewer than 15 passengers, and would leave from one location unlike a taxi service. City Attorney Crego stated even though the Jonesboro Code references "Vehicles for Hire" the intent by the City Council at the time was for taxi cab services, not limousine services. It was explained there are other limousine services operating in the City of Jonesboro and all they were required to do was get a business license from the City Collector's Office. Mr. Kisling explained he had tried to get a license from the City Collector's Office who referred him to the Jonesboro Code regarding "Vehicles for Hire".
