#3 RZ95-38 Pete Gasaway requested approval of rezoning from R-1 to C-3 for 1.0 acre located on the west side of Oak Park Drive, north of Southwest Drive.

Property owners stated there are no plans for the property to change owners at present. Options for other uses were a reason for rezoning. Mr. Bobby Gibson, representing the Gasaways, stated there was no sale of the property anticipated at this time.

Scott Waddell represented opponents of the zoning change. Objections were more to change of use from neighborhood grocery.

Commissioners mentioned the Land Use Plan has brought up possibilities of having "village concepts" with neighborhood stores, such as drugstores, and this type business that you would walk to for needed services, rather than driving across town to a commercial area. C-4 zoning was discussed as possibly being a better choice than C-3 as requested.
