Councilman Street moved, seconded by Councilman Moore to table the ordinance due to a lack of MAPC required stipulations that are to be specified in the ordinance for enforcement purposes. A voice vote was taken resulting in all members voting aye. Those members were: Province, Hargis, Moore, Williams, Perrin, Street, Dover, McCall, and Roddy.

Councilman Street questioned the status of the aerial photography that was approved earlier by the Infrastructure Committee. Finance Director Larry Flowers explained the money had been appropriated in the 2003 budget, approved by the Infrastructure Committee, and explained it was Mayor Brodell's responsibility to proceed with the project.

Councilman Street reported on the negotiations with Phillips Investments (Bill's Fresh Market). He explained a tentative agreement has been reached, approved by Dr. Beadles and meet the MAPC stipulations. Councilman Street thanked Mayor Brodell for working with Phillips Investment to reach this agreement.

Under new business by the public, Ms. Gayle Barnett, daughter of Mr. and Mrs. J.C. Willet, and Raymond Bednar, their son-in-law addressed Council regarding the Willet property located by Parker Park Community Center near North Church Street. A letter was provided by Mrs. Willet claiming work had been done to a ballpark that joins her south property line, resulting in damage to her property and poor drainage. The letter stated work done by Street Superintendent, Gene Barnett, and the Roddy Company removed her fence, trees, shrubbery and flowers, leaving piles of dirt on her property. The family explained they were representing Mrs. Willet who is unable to attend council meetings due to her age (85), and because Mr. Willet has passed away since the situation developed. They complained that numerous attempts to settle the matter have gone ignored. Several council members stated they were unaware of the situation and questioned Mayor Brodell who explained his Assistant, Larry Johnson had been working on the situation and would provide a report to Council at the next regularly scheduled council meeting. Councilman McCall asked who the contractor was that did the work. Mayor Brodell explained that the Roddy Company was owned and operated by Mr. David Roddy, Alderman Bill Roddy's son.

With no further business, Councilman Moore moved, seconded by Councilman Street to adjourn. A voice vote was taken resulting in all members voting aye.
