Minutes for the City Council meeting on September 7, 1993

PUBLIC HEARING - 6:45 P.M. - A public hearing was held as requested by Mr. Terry Maxfield regarding the establishment of the "American Cab Company". Mr. Maxfield was represented by his attorney, Mr. Scott Davidson. Mr. Davidson explained to the Council that Jonesboro is in need of a dependable taxi-cab service. One that offers competitive rates, courteous drivers, and well maintained vehicles. Mr. Doug Ferguson, Ms. Latrice Smith and Ms. Addie Rolea' spoke in favor of an additional cab service for Jonesboro. Those opposed to the "American Cab Service" were Mr. Gerald Merideth, owner of Thrifty Cab, and Mr. Harvey Hudspeth, owner of Jonesboro Cab. Mr. Merideth stated he was opposed because he had put a lot of money into his cab service and they had done their best to serve Jonesboro residents. Mr. Hudspeth stated he was opposed to another cab service because it would create price wars, and Jonesboro Cab had not raised its prices in three years. Mr. Jason Meredith, Dispatcher for Thrifty Cab, accused Mr. Maxfield of operating without a license. Councilman Evans questioned Mr. Maxfield regarding this matter, and was told that even though he (Mr. Maxfield) had accepted tips he had stopped once informed this was illegal. Councilman Wise informed the Council that a survey was being done on the regulation of taxi-cab services and as soon as it was complete everyone would be notified.

PUBIC HEARING - 7:00 P.M. - A public hearing was held regarding the vacating and abandonment of a street easement in Highland Forest Subdivision. Attorney Jim Burton represented Mr. Jerry Craft in the matter. Mr. Bill Stroud spoke in opposition, not to the abandonment, but to rezoning the area to Commercial. Attorney Burton stated they were only dealing with the abandonment and relocation of the street, not with the rezoning issue. Councilman Vance disagreed, and explained the two issues were connected and urged the Council to address the matter with that in mind.

CITY COUNCIL MINUTES - September 7, 1993

The Jonesboro City Council met in regular session at 7:30 p.m. Present were the Mayor, City Clerk, City Attorney and all council members with the exception of Councilman Perrin who was unable to attend.

The minutes of August 16, 1993, and August 30, 1993, were approved as mailed out by motion of Councilman Harpole seconded by Councilman Evans. A roll call vote was taken resulting in all council members voting aye.

Councilman Harpole offered the following ordinance for the first reading:

AN ORDINANCE TO VACATE AND ABANDON A STREET EASEMENT IN HIGHLAND FOREST SUBDIVISION

Councilman Vance requested that the MAPC minutes, pertaining to the replating of the property in question, be mailed out prior to the next council meeting. No other action was taken on this ordinance.

The following ordinance was on the third reading:

AN ORDINANCE TO AMEND ORDINANCE NO. 954 KNOWN AS THE ZONING ORDINANCE, PROVIDING FOR CHANGES IN ZONING BOUNDARIES AND OTHER PURPOSES. (TOM REAGAN/J. McCAULEY)

Councilman Vance moved, seconded by Councilman Harpole for the adoption of the ordinance. Discussion followed. Councilwoman Ingram questioned the drainage problems in the area and was told the area had no drainage easements. However, Mr. Reagan was willing to give drainage easements if the rezoning and site plan were granted. Mr. Phillip Hank Walkley, Administrator of the Methodist Hospital spoke for a group opposed to the rezoning. The concerns listed by Mr. Walkley were drainage problems and decreasing property values. Mr. Steve Clark quoted ordinance number 2224 which states a mobile home subdivision may not be placed on an area less than two acres. Mr. Clark explained that Mr. Reagan's property is only 1.3 acres. A roll call vote was taken resulting in all council members voting nay, with the exception of Councilman Mullenix who voted aye.

Councilman Vance moved, seconded by Councilman Province to uphold the MAPC's decision regarding the site plan. A roll call vote was taken resulting in all council members voting aye, with the exception of Councilman Mullenix who voted nay.

Item 4C was tabled at the request of Mr. Ray Nickle, Attorney of Mr. John Prunty.

The following ordinance was on the third reading:

AN ORDINANCE TO ESTABLISH A CURFEW APPLICABLE TO JUVENILES AND REGULATING THEIR PRESENCE ON PUBLIC STREETS AND OTHER PLACES

Discussion followed with Mayor Brodell stating that some military officers are under eighteen years of age and this should be considered when addressing the issue of curfew. City Attorney, Pam Honeycutt expressed concern over the enforcement of the curfew. Ms. Honeycutt stated when tickets are issued it will involve her office, court time, clerks, police officers and many other personnel and the matter of personnel to enforce this law should be considered. Interim Police Chief Jack McCann stated he had not received a copy of the ordinance

and was concerned over the number of police officers needed to enforce the curfew law. Councilman Evans stated that many young people will get a friend who is 21 to act as the guardian and that the City of Jonesboro could have lawsuits of harassment filed against it. Councilman Province stated the ordinance needed to be fine tuned. He explained as Administrator of Jonesboro High School he has to deal with the age issue and written excuses and it is difficult to determine the authenticity of either. Councilwoman Ingram agreed the ordinance needed to be fine tuned and the ordinance as is would make the Police Department babysitters, and there is not enough police personnel to enforce the law. Mayor Brodell stated that the Municipal League has a difference of opinion on the legalities of a 12 month curfew. The Mayor stated that in most cities a curfew is established for 90 to 120 days as a trial period to see how it will work, then get feedback from other City Officials. Councilman Hannah, speaking in favor of the ordinance, stated this would give police officers a reason to stop juveniles and possibly prevent potential gang related activity. Councilwoman Ingram made the recommendation that the Council study the issue further and come back with recommendations at the next Council meeting.
