The Metropolitan Area Planning Commission met Thursday, January 14, 1988 at 7:00 p.m. in the Council Chambers 314, W. Washington. The requests considered are as follows:

The minutes of the December 10, 1987 meeting were approved as prepared.

MEMBERS PRESENT: Mr. Sloan, Mr. Vance, Mr. McCracken, Mr. Lamberth, Mr. Harris
MEMBERS ABSENT: Mr. Blalock, Mr. Lusby, Mr. Smock, Mr. McDonald

#1 Mr. Lamberth made a motion to approve a rezoning request by Quillen & Stella Tate from C-3 to R-3 for part of lot 27 of the Replat of Ranchette Acres, located west of Hwy. 141 and north of Ginger St. Mr. Vance seconded the motion. All members present voting aye. MOTION APPROVED.

#1A During annexation proceedings in June, 1987 of the Magnolia Street Annexation - Hwy. 141 to Patrick, an error on the plat incorrectly showed Lot 27B of a replat of Ranchette Acres to 110' long while in fact it was supposed to be 124'. The 14' erroneously omitted was zoned C-3.

Considering these facts and relying upon the City Attorney's opinion (see attachment) a motion was made by Mr. Lamberth that the Commission considers the 14' erroneously omitted from the original plat to be incorporated in the original zoning plat and that the City records are corrected to show it as being R-3. The motion was seconded by Mr. Harris. All members present voting aye. MOTION APPROVED.

#2 Quillen & Stella Tate requests a replat of Lot 27 of the Replat of Ranchette Acres. The general location of this property is west of Hwy. 141 and south of Ranchette Drive.

Mr. Vance made a motion to approve the replat subject to rezoning being approved by the City Council and the abandonment of Roosevelt Street, an unimproved street dedication, by either the City of Jonesboro or

Craighead County whichever has the authority to do so and it is the recommendation of the Commission to abandon this street. Approval is also subject to street improvements being made on the streets adjoining this property in accordance with the drawing of Clay Kenward dated January 1988. Mr. Lamberth seconded the motion. All members present voting aye. MOTION APPROVED

2. that a parking variance be secured through the Board of Zoning and adjustments
3. granting a utility easement up to 15' on the north and east sides as requested by the utility companies
