This bond is one of an issue of eight hundred sixty (860) bonds aggregating Eight Hundred Fifty-Nine Thousand Eight Hundred Seventy-five Dollars (\$859,875), designated as "City of Jonesboro, Arkansas, General Obligation Industrial Development Bonds, dated June 1, 1968, numbered consecutively from 1 to 860, inclusive, (called "Amendment No.49 Bonds" or "bonds"), all of like tenor and effect except as to number, denomination, rate of interest, maturity and right of prior redemption. The Amendment No.49 Bonds are being issued for financing the cost of securing and developing industry consisting of an Industrial Park, including acquisition of lands, installation and construction of necessary utility lines and services, roads, streets, railways, and other necessary facilities for the securing and developing of industry; and Airport Improvements, including runway construction, terminal and other building construction as related expenses (a portion of the costs of the Airport Improvements is proposed to be obtained from an Amendment No. 13 Bond Issue of the City and a grant from an agency of the Government of the United States of America) (the "Project"), paying necessary incidental expenses and expenditures in connection therewith, paying the expenses of issuing the bonds and

providing for interest until revenues are available for the principal of and interest on the bonds.

The bonds are issued pursuant to and in full compliance with the Constitution of the State of Arkansas (“Amendment No.49”), and pursuant to Ordinance No. \_\_\_\_\_ of the City passed and approved on the \_\_\_\_\_ day of \_\_\_\_\_ 1968, (“Authorizing Ordinance”), and an election duly held at which the majority of the legal votes of the City voting on the question voted in favor of the issuance of the bonds. The Amendment No. 49 Bonds are general obligations of the City to the payment of which the City pledges its full faith, credit and taxing power including particularly a continuing annual special tax of three (3) mills on the dollar of the assessed valuation of all taxable real and personal property in the City, to be collected annually until the principal of an interest on the bonds are fully paid, or provision made therefore unless the collection thereof, in whole or in part, is suspended as hereafter provided. The Amendment No.49 Bonds are not secured by a lien on the Project. The City reserves the right to apply other available revenues to the payment of the principal of an interest on the bonds and to suspend the collection of the Tax (or a portion thereof) on an annual basis. Reference is hereby made to the Authorizing Ordinance for the details of the terms and conditions upon which the collection of the tax may be suspended, for the details of the nature and extent of the security and of the rights and obligations of the City and the holders and registered owners of the bonds.

The City has agreed that all revenues in the “Jonesboro, Arkansas 1968 General Obligation Industrial Development Bond Fund” (the “Bond Fund”), created by the authorizing Ordinances derived from the special tax, if and when collected, in excess of the amounts necessary to insure the prompt payment of the principal of and interest on the Amendment No.49 Bonds as the same become due, must be used to redeem the Amendment No.49 Bonds prior to maturity from time to time on each interest payment date as and when the funds are available, all in accordance with the provisions hereof pertaining to redemption prior to maturity.

The Amendment No.49 Bonds will be subject to redemption prior to maturity in inverse numerical order at a price of par and accrued interest as follows: from surplus tax collections on any interest payment date; from funds from any source on any interest payment date on and after June 1, 1973. In addition, notice of redemption shall be mailed by registered or certified mail to the registered owner of any bond registered as to principal, addressed to such registered owner at his registered address and placed in the mails not less than fifteen (15) days prior to the date of redemption. In the event all bonds are registered as to principal notice in writing by registered or certified mail to the owner or owners thereof shall be sufficient and published notice need not be given. After the date fixed for redemption each bond so called shall cease to bear interest, provided funds for its payment are on deposit with the Paying Agent at the time.

This bond may be registered as to principal alone and may be discharged from such registration, in the manner, with the effect and subject to the terms and conditions endorsed hereon. Subject to the provisions for registration endorsed hereon, nothing contained in this bond or in the Authorizing Ordinance shall affect or impair the negotiability of this bond. In this regard, this bond shall be deemed to be a negotiable instrument under the laws of the State of Arkansas and this bond is issued with the intent that the substantive law of the State of Arkansas will govern as to all questions of validity, interpretation and effect

IT IS HEREBY CERTIFIED, RECITED AND DECLARED that all acts, conditions and things required to exist, happened and be performed, under the Constitution and laws of the State of Arkansas, particularly Amendment No.49 to the Constitution of the State of Arkansas, precedent to and in the issuance of this bond have existed, have happened and have been performed in due time, form and manner as required by law; that

Section 5: that the Amendment No.49 Bonds authorized hereby shall constitute general obligations of the City to the payment of the principal of and interest on which the City hereby pledges its full faith, credit and taxing power, including a three (3) mill special tax on each dollar of the assessed valuation of all taxable real and personal property within the City, which special tax shall be collected annually until all of the principal of and interest on the bonds are paid in full or until adequate provisions is made for their payment, unless the collection thereof is suspended as hereafter set forth. The City reserves the right, at its option, to use available revenues derived from other sources fro application to the payment of the principal of and interest on the bonds. The City agrees that at all times while any of the bonds are outstanding there will be paid into the Bond Fund (hereafter identified) from available revenues or from collections of the special tax amounts sufficient to pay principal, interest and paying agent’s fees when due on the Amendment No.49 Bonds and if at any time while any of the Amendment No. 49 Bonds are outstanding the moneys in the Bond Fund shall be insufficient to provide for the prompt payment of the principal of, interest on and paying agent’s fees in connection with the bonds, the City agrees to take, or cause to be taken, the necessary steps to extend the special tax for collection (or that portion thereof necessary together with other available revenues to produce the amount required for

principal, interest and paying agent’s fee payments when due). In this regard, the County Clerk is to proceed on the basis that the collection of the special tax is suspended and that no part of the special tax is to be collected unless and until the County Clerk receives a certificate from the City, executed by the Mayor, certifying that all or a specified portion of the special tax is to be collected and the County Clerk shall be fully protected in proceeding in accordance with the provisions hereof and in relying on such certificate or certificates signed by the Mayor of the City. All special tax collections for the Amendment No.49 Bonds shall be paid into the Bond Fund as and when received. The City agrees that all moneys in the Bond Fund from time to time in excess of the amount necessary to insure the prompt payment of the principal of, interest on and paying agent’s fees on the outstanding bonds as the same become due, must be used as and when available on each interest payment date to redeem the bonds prior to maturity.

All proceeds derived from the special tax referred to above and all available revenues which the City elects to apply to the payment of the principal of and interest on the bonds shall be deposited, as, if and when received, into a special fund in the name of the City designated “City of Jonesboro, Arkansas 1968 General Obligation Industrial Development Bond Fund” (“Bond Fund”), which fund shall be maintained in a bank to be selected from time to time by the City but which must be a member of the Federal Deposit Insurance Corporation, and all moneys in the Bond Fund shall be used solely for the payment of the principal of, interest on and paying agent’s fees in connection with the Amendment No. 49 Bonds at maturity and at redemption prior to maturity. The amounts on deposit in the Bond Fund at any time in excess of that insured by the Federal Deposit Insurance Corporation must be continuously secured by bonds or other direct or fully guaranteed obligations of the United States of America.

Section 6: That in order to pay the principal of and interest on the Amendment No.49 Bonds as they mature and as they are called for redemption prior to maturity there is hereby appropriated the entire amount of moneys at any time in the Bond Fund, and if said moneys be not sufficient to pay the principal of and interest on the Amendment No. 49 Bonds as the same become due, then there is hereby appropriated out of the general revenues of the City the additional amount necessary for that purpose.
