Site Plan Review- CU 06-16- Dollar General, 4117 E. Highland Dr.

John Easley - Associated Engineering & Testing, LLC and Dollar General are requesting to approve a site plan as a part of 2006 Conditional Use connected to Watt Street on the East with the current alignment being revised to intersect Highland Drive at a 90 degree angle. The current site layout connects to Highland Drive on the North Side only. They are requesting current site plan layout be approved and the Watt Street re-alignment be waived.
