Under new business, Mayor Brodell reported on the new Central Fire Station and a fifty year lease agreement with Arkansas State University. He explained the base bid was \$2,218,000.00 minus \$38,005.00 for changes in electrical fixtures, ceramic tile, and precast trim. He also reported a \$50,000.00 reimbursement from City Water & Light due to a specific heating and cooling system which would conserve energy. The total deductions from the base bid was \$88,000.00 for a balance of \$2,130,000.00. Mayor Brodell then added \$127,800.00 for architectural work which brought the balance to \$2,257,800.00. He explained originally \$1,750,000.00 had been budgeted, but \$507,800.00 was needed to complete the project. However, the \$507,800 did not include the construction of a four lane road, nor furniture. He requested Council to accept the bid of Tate Construction and appropriate the additional \$507,800.00. Mayor Brodell explained the City would be requesting a \$50,000.00 grant which would apply toward the air-conditioning system. He also explained it was imperative for Council to act on the bid tonight because Tate Construction had been delayed for two weeks while negotiations were taking place over the lease agreement with Arkansas State University. City Attorney, Phillip Crego responded saying the foreclosure decree has been entered ordering the property sold, and a clerk was appointed to conduct the sale. Attorney Crego stated a date for the sale has not been set, and until the day of the sale Mr. Ebbert could possibly come up with the needed funds to stop the foreclosure.
