Minutes for the City Council meeting on November 6, 1995

PUBLIC HEARING - 6:10 P.M. - A Public hearing was conducted for the purpose of establishing the North East Arkansas Taxicab Inc., located at 410 S. Church (on the Church side, Suite B) Mrs. Barbara Halsey, an attorney, was also the applicant along with her husband requesting a taxicab permit, from the Council. Mrs. Halsey stated Jonesboro was in need of a safe, clean, reliable taxicab service, by citing a 1992 study regarding a public transit system in Jonesboro. She explained even though this was not a public transit system, the study in itself shows transportation is a priority need for residents and a key element for agencies offering services to local residents. The application met the requirements regarding a \$25,000.00 bond (or cash), along with the other requirements set forth in Ordinance 2644. Mr. and Mrs. Gerald Meredith spoke in opposition to the NEA Taxicab, Inc. It would place a hardship on the other two already operational taxicab services in Jonesboro, was the reason given by Mr. and Mrs. Meredith. Mr. Meredith stated his cab company; the Thrifty Cab Company would suffer cut backs if this application was approved.

Under new business, Mayor Brodell stated he had received a legal opinion from the Attorney General regarding the number of votes needed (majority of members present or number of members elected) to overturn a decision by the Metropolitan Planning Area Planning Commission. Phillip Crego, City Attorney, stated he did not agree with the Attorney General's opinion, because one of the statues cited A.C.A. 14-55-203 makes it clear a majority of the **elected body** is needed, and the matter would have to be decided in a court of law. City Attorney, Phillip Crego, explained he was unable to find one of the cases cited in the Attorney General's opinion, and was trying to find out if there had been a typo or where to find this cited case. Attorney, Skip Mooney, Sr. had requested in a letter to Mayor Brodell a permit be issued to his client, Mr. Mike Watson to build two apartment buildings, based on the Attorney General's opinion. Mayor Brodell requested from the Council some direction on whether or not to require the Planning and Inspection Department to issue the permit, because he did not want to make the decision on his own. Councilman Hannah moved, seconded by Councilman Province to follow the City Attorney's advice regarding issuing Mike Watson a building permit. A roll call vote was taken resulting in eight Aldermen voting aye. Those voting aye were: Vance, Wise, Rega, Province, Perrin, Kelton, Roddy, and Hannah. Councilman Young voted nay. Councilman Harpole explained he did not believe Council should vote on matters which fall under the control of Executive Power. The motion passed.

In other business, Mayor Brodell stated bids to sell, had been taken separately on the city\county Justice Building and then on the adjoining parking lot. The Quorum Court received one bid on the city\county owned Justice Building for \$160,000.00. Councilman Vance moved, seconded by Councilman Perrin to approve only the bid of sale for the Justice Complex for \$160,000.00. In Councilman Vance's motion he also moved to do away with the Facility Board and divide the funds left over from the Facility Board (\$140,000.00) as well as the \$160,000.00 from the sale of the city\county Justice Complex, making the total amount approximately \$300,000.00 to be divided equally between the City and the County. A roll call vote was taken resulting in all council members voting aye. Those Aldermen voting aye were: Vance, Wise, Rega, Province, Young, Perrin, Tate, Kelton, Roddy, Harpole, and Hannah.

Mayor Brodell stated this matter would be addressed at the next council meeting.

Councilman Vance also questioned City Attorney, Phillip Crego about amending the previously adopted, **Ordinance 2664 (Changing council meeting time from 7:30 p.m. to 6:30 p.m.)** to include an alternate meeting place. Councilman Perrin, Chairman of the Police Committee, reported funds were available in the 1995 Police Budget to cover the expenses for the retaining of one police dog named, "Rocky", and the purchase of a newly

trained narcotics dog. Councilman Perrin explained "Rocky" had minor behavioral problems which could be easily corrected.

Councilman Harpole, Chairman of the Personnel Committee requested the Council bring any questions regarding the Salary Administration Plan to the Personnel Committee prior to the November 20, 1995, council meeting, for the purpose of adopting or rejecting the Salary Administration Plan in a timely manner.

Councilman Hannah moved, seconded by Councilman Young to appropriate \$44,000.00 to come from unappropriated sales tax to repair the roof, heating and air-conditioning of the Senior Citizens building. Councilman Vance requested the ordinance be held over till the next meeting for the second and third readings.

With no further business the meeting was adjourned.
