

Legislation Details

File #: SP-15-02 **Version:** 1 **Name:**
Type: Site Plan **Status:** Passed
File created: 4/23/2015 **In control:** Metropolitan Area Planning Commission
On agenda: 4/28/2015 **Final action:** 4/28/2015
Title: Site Plan Revision/Review: 1500 Kathleen St. - McKnight Falls

Travis Fischer, PE CFM, Tralan Engineering, Inc., on Behalf of HP Development, requests MAPC approval of a modification of a Site Plan, to allow a formerly approved 1- story duplex revised to a 2 story Quadplex. This request will not violate the overall allowable density approved for future phases at this site.
