RIGHT OF WAY WAVIER: Wofford Street

Michael Daniels of Daniels Land Surveying is requesting MAPC Approval of a right-of-way wavier on Wofford Street. This request is for the right-of-way to remain 25 ft from center of the road instead of the 30 ft for 60 ft that is required by the Master Street Plan that is depicted on the attached Plat. This is located within an R-1 Single Family District.
